Re: Underground Drilling Program, Bear Canyon Mine, Co-Op Mining
Company, ACT 1991-005, Emery County, Utah

Attached are two copies of a proposed Appendix 7-N incorporating the new underground drilling program. I have made an effort to incorporate the latest version of the plan. I understand that this version includes the modifications made after 26 August 1991.

Please review these pages and notify me of any deficiencies or additional required modifications. These pages are marked "DRAFT". Four copies will be forwarded to the Division upon approval.

Thank you,
